Dear Residents,

We hope that this notice finds you and your family safe and healthy at this time and continue to stay safe and healthy.

On March 31, 2020, the Klawock City Council met, and authorized the Mayor to issue EO-01 Hunker down and shelter-in-place emergency order.

Pursuant to this emergency order, we ask that you limit your trips out of your home to **once a day** for essential business activities. This includes trips to the post office, grocery store, Liquor Store, gas station and other businesses that conduct essential business.

Please continue to practice social distancing of 6 feet or more during your trip out from your home.

As a reminder if you are feeling sick or have a fever or suspect that you have the COVID-19 virus please call your healthcare provider for instructions on what to do next.
