**CITY OF KLAWOCK  
PROCLAMATION OF  
EMERGENCY ORDER #EO-01  
IN RESPONSE TO COVID-19**

ISSUED BY THE MAYOR OF CITY OF KLAWOCK ("CITY") PURSUANT TO CITY OF KLAWOCK EMERGENCY ORDINANCE EO2020-01 AND ORDINANCE 1.02.050.

The COVID-19 pandemic has generated a public health emergency, as declared by the State of Alaska and the City of Klawock City Council Emergency Ordinance EO2020-01 that threatens to overwhelm the health system of the entire State of Alaska. Furthermore, the City has limited health resources and we must take steps to slow and contain the threat; such steps require coordinated community action. This Emergency Order #EO-01 is put forward to preserve the health and safety of our community.

PURSUANT TO THE AUTHORITY GRANTED TO ME BY THE CITY COUNCIL UNDER EMERGENCY ORDINANCE EO2020-01 AND CITY CODE OF ORDINANCES SECTION 1.02.050 (EMERGENCY ORDINANCES), I HEREBY PROCLAIM THE FOLLOWING EMERGENCY REGULATIONS TO BE EFFECTIVE AS OF 11:59 P.M. ON TUESDAY, MARCH 31, 2020, TO PRESERVE LIFE IN AND ADJACENT TO THE CITY. THE FOLLOWING EMERGENCY REGULATIONS HAVE THE POWER OF LAW, SHALL REMAIN IN EFFECT UNTIL 11:59 P.M. ON TUESDAY, APRIL 21, 2020, AND SHALL SUPERSEDE ALL CONFLICTING LAWS DURING THE EXISTENCE OF THIS EMERGENCY.

1. All residents of the City shall hunker down and shelter-in-place as much as possible, in order to minimize any spread of COVID-19.
2. Residents should stay home and work from home, except to work certain critical jobs, as laid out in State of Alaska Health Mandate 11; to buy, sell, or deliver groceries or other critical goods; to receive or provide health care; and to get fresh air without coming within 6 feet of others.
3. Residents should conduct business via telephone or electronic communications as much as possible.
4. On the limited occasions when individuals leave their home, they should maintain social distancing of at least 6 feet from any person outside their household whenever possible, and practice recommended hygiene.
5. It is strongly recommended, in accordance with the U.S. Center for Disease Control guidance, that certain residents should take even greater precaution: Anyone particularly at-risk from COVID-

19 should reduce exposure by staying home, not physically going to work, and not doing their own shopping, if possible. These include any individuals 60 years of age and older, and individuals with a serious underlying medical condition. Members of households with these individuals should also implement these more stringent guidelines.

6. If you are sick or suspect you may have the COVID-19 virus, and have a fever, cough or difficulty breathing, call your healthcare provider. Help prevent the disease from spreading to people in your home and our community.
7. Residents shall follow all health mandates issued by Governor Dunleavy, the Alaska Department of Health and Social Services (DHSS), and the U.S. Center for Disease Control (CDC).

DATED this 31st day of March, 2020.

  
Donald Nickerson, Jr., Mayor

  
Attest: Sybil Galaktianoff, City Clerk
