

**CITY OF KLAWOCK ALASKA
UTILITY CONNECTION APPLICATION**

You must provide the following information to the Klawock City Offices. The application must be filled out completely and submitted to the City office.

Service will be provided after you fill out a separate Utility Service Application. This application only provides permission to install and connect water and wastewater lines.

All connections must be approved by the City and must conform to applicable regulations, including Uniform Plumbing Code. You are responsible for all costs.
